Additional Notes

Your Commitment

- I hereby notify the Channel Swimming & Piloting Federation ("CS&PF") that I wish to attempt a crossing of the English Channel - La Manche.
- I have read, understood, and agree to abide by the rules and guidelines of the CS&PF available on <http://cspf.co.uk>. I hereby agree and understand that if I am in breach of any of the rules or guidelines our application may become invalid and/or the crossing will not be recognised or ratified.
- I, the undersigned participant, intending to be legally bound hereby certify that I consider I am physically and mentally fit to undertake the crossing and have not been otherwise informed by a medical practitioner.
- I will advise the CS&PF of any further changes in my medical condition that arise before my swim takes place.
- I acknowledge and understand that Channel swimming is an extreme sport. I am aware of the risks inherent in attempting a Channel crossing and the training for such an event, including possible permanent disability or death. I agree to accept and assume all those risks. I hereby waive any and all rights, to the fullest extent permitted by applicable law, to claim for loss or damages against the CS&PF and/or any body affiliated thereto and any of the Federation officials supervising, observing or organising events, which arise out of my participation in attempting a Channel crossing, or any activities incidental thereto.
- I undertake to remain readily contactable by the CS&PF on the contact details provided above (or on updated details I may provide) and to respond promptly to the CS&PF at all times up to my solo attempt.
- I undertake to give urine and/or blood samples if so requested both during training, before the crossing and after the crossing.
- I acknowledge and accept that the provision of certification for a 6-hour swim and medical/health condition in no way implies any representation by the CS&PF that the applicant has completed sufficient training or is sufficiently fit or healthy to make such an attempt.
- I undertake to be solely responsible for assessing whether I have achieved an appropriate amount and type of training, fitness and health before embarking upon my swim attempt and that I will not make the attempt if for any reason I have failed to achieve this, whilst still acknowledging that I shall remain solely responsible for all lost fees and expenses.
